8  
9 IN RE: Bard IVC Filters Products  
10 Liability Litigation,

No. MDL 15-02641-PHX-DGC

11 **CASE MANAGEMENT ORDER NO. 42**

12 (Tinlin Trial, SNF Cases, Duplicative Cases,  
13 Settlement Procedures and Remand or  
14 Transfer)

15 The Court held a case management conference with the parties on  
16 March 18, 2019. Doc. 16093. The conference concerned issues raised in the parties'  
17 joint status report (Doc. 15948) and other matters. On the basis of the conference, the  
18 Court enters the following orders:

19 1. Tinlin Trial (including change of pretrial conference date).

20 a. Plaintiffs' counsel provided information suggesting that Mrs. Tinlin  
21 will not be able to travel to Phoenix for trial and asked that she be permitted to testify and  
22 observe portions of the trial remotely. Doc. 15693. Defendants do not oppose the  
23 request, but ask that various procedures be put in place to ensure that no prejudice results  
24 from her remote testimony and observation. Doc. 15954. Plaintiffs are directed to work  
25 with the Court's technology staff and the federal district court in Green Bay, Wisconsin,  
26 to arrange for Mrs. Tinlin's video testimony during trial. Assuming adequate technical  
27 arrangements can be made, the Court further concludes that (1) Mrs. Tinlin will be alone  
28 in a room with a videographer and courtroom deputy clerk at the time of her testimony,

1 although counsel for both sides may be in the courthouse to deal with any issues that  
2 arise; (2) the parties shall confer about exhibits to be used during her testimony, and a  
3 complete set of marked exhibits will be provided for the clerk to place in front of Mrs.  
4 Tinlin during her testimony; (3) Plaintiffs shall pay any costs associated with the remote  
5 testimony; (4) the parties shall confer and propose a jury instruction that can be read  
6 during trial to explain Mrs. Tinlin's absence from trial and the reasons for her remote  
7 testimony; and (5) Mrs. Tinlin may observe other portions of the trial from the remote  
8 location, but will not appear via video while observing the proceedings. With these  
9 safeguards in place, the Court finds that Mrs. Tinlin's remote testimony satisfies the high  
10 standard in Federal Rule of Civil Procedure 43(a) for remote testimony during trial.  
11 Plaintiffs' motion (Doc. 15693) is **granted**.

12           b. Due to scheduling issues, the date for the final pretrial conference  
13 will be changed from April 30 to April 29, 2019. The conference will begin at **10:00**  
14 **a.m. on April 29, 2019**.

15           c. Plaintiffs have filed a motion to seal their unredacted summary  
16 judgment materials. Doc. 15695; *see* Docs. 15071, 15072 (sealed lodged proposed  
17 documents). The motion fails to address the applicable compelling reasons standard. *See*  
18 *Kamakana v. City & Cty. of Honolulu*, 447 F.3d 1172, 1180 (9th Cir. 2006). The Court  
19 denied a similar motion filed by Defendants. *See* Docs. 15072, 15175. Plaintiffs' motion  
20 to seal (Doc. 15695) is **denied without prejudice**. The parties shall have until  
21 March 29, 2019, to file new motions to seal that address the relevant legal standard.

22           2. Simon Nitinol Filter ("SNF") Cases.

23           Case Management Order No. 41 directed Plaintiffs' lead counsel to contact and  
24 confer with attorneys representing SNF clients in this MDL proceeding, to inform these  
25 attorneys that the Court is requiring them to organize into a Plaintiffs' steering committee  
26 for SNF cases and to assist in the management and efficient litigation of those cases, to  
27 inform them that they must confer with defense counsel regarding an appropriate  
28 schedule and procedures for preparing the cases for trial, including the five topics

1 identified in the parties' previous joint status report (Doc. 14870 at 3), and to be prepared  
2 at the case management conference on March 18, 2019, to put in place the leadership  
3 structure for the SNF cases. Doc. 15176 at 2. Once lead plaintiffs' counsel were  
4 identified for the SNF cases, the Court would require them to reach agreement on the  
5 establishment of a common fund for the SNF cases, which the Court presumes would be  
6 similar to the common fund established for the rest of this MDL. *Id.*; *see* Doc. 372  
7 (CMO No. 6). The Court's intent was to complete discovery and motion practice on the  
8 SNF cases in the most efficient manner possible and, if necessary, hold one or two  
9 bellwether trials on the SNF cases. *Id.* at 2-3.

10 Plaintiffs' lead counsel report that they have contacted all known attorneys who  
11 represent Plaintiffs in SNF cases transferred to or filed in this MDL, asking them to take  
12 leadership roles in the SNF cases. Doc. 15948 at 2. That communication was followed  
13 by further communications with some who expressed interest in taking on a leadership or  
14 committee position. No lawyer has stepped forward to lead the SNF cases. One attorney  
15 expressed a willingness to serve on a steering committee, but is not willing to serve as  
16 lead counsel. *See id.* Plaintiffs' lead counsel encouraged her to attend the hearing set for  
17 March 18, 2019, but she did not. Plaintiffs' lead counsel have also identified a few  
18 additional attorneys who are willing to serve on a steering committee, but are similarly  
19 reluctant to take on a lead counsel role.

20 Without Plaintiffs' lawyers who are willing to assume leadership of the SNF  
21 cases, those cases cannot be resolved expeditiously, the Court cannot manage the SNF-  
22 case docket in this MDL, and Defendants will be prejudiced. The Court will afford the  
23 SNF-case attorneys one more opportunity to organize a steering committee, designate  
24 lead counsel, confer with defense counsel, and undertake litigation of the SNF cases. *See*  
25 Doc. 15176 at 2-3. If those attorneys do not step forward and assume responsibility for  
26 litigating their cases, the Court will dismiss the SNF cases for lack of prosecution and  
27 failure to comply with the Court's orders. *See* Doc. 15948 at 3; Fed. R. Civ. P. 41(b);  
28 *Carey v. King*, 856 F.2d 1439, 1440 (9th Cir. 1988) ("In determining whether to dismiss

1 an action for lack of prosecution, the district court is required to weigh several factors:  
2 (1) the public's interest in expeditious resolution of litigation; (2) the court's need to  
3 manage its docket; (3) the risk of prejudice to the defendants; (4) the public policy  
4 favoring disposition of cases on their merits and (5) the availability of less drastic  
5 sanctions.”) (quotation marks and citation omitted).

6 Attorneys in SNF cases shall have until **May 1, 2019**, to (a) organize into a  
7 Plaintiffs' steering committee for SNF cases; (b) designate lead counsel for such cases;  
8 (c) confer with defense counsel regarding an appropriate schedule and procedures for  
9 preparing the cases for trial, including the five topics identified in the parties' joint status  
10 report (Doc. 14870 at 3); and (d) file a memorandum identifying the attorneys  
11 recommended for the steering committee and lead counsel, explain why they are  
12 qualified and able to litigate the SNF cases, and setting forth the proposed schedule for  
13 this litigation. The Court will then schedule a hearing to appoint a steering committee  
14 and lead counsel and set a schedule for completing discovery and motion practice in the  
15 SNF cases.

16 **Attorneys with SNF cases are warned that the Court will dismiss those cases**  
17 **for lack of prosecution if they do not comply fully with this order. See Fed. R. Civ.**  
18 **P. 41(b). Existing lead counsel are directed, within seven days of this order, to share**  
19 **this order and the Court's directive with all attorneys who have SNF cases in this**  
20 **MDL.**

21 3. Duplicative Cases.

22 Defendants have filed a motion to dismiss duplicative complaints filed in this  
23 MDL. Doc. 15738. The motion includes a list of seven plaintiffs who have filed more  
24 than one complaint. *Id.* at 2.<sup>1</sup> Before filing the motion, Defendants sent multiple letters  
25

---

26 <sup>1</sup> One of the plaintiffs, Pamela Smith, filed a motion to dismiss her second-filed  
27 action (Case No. CV17-3089), which has been granted. Docs. 15860, 15966. Another  
28 plaintiff not on the list, Leslie Sheffield, filed a stipulation to dismiss a duplicative  
complaint, which has been granted. Docs. 15955, 15996 (Case No. CV17-4288).

1 notifying Plaintiffs' Steering Committee and counsel for each individual plaintiff of the  
2 duplicative actions. *See* Doc. 15738-1. The letters explained that the duplicate  
3 complaints raise the same claims for the same individual as asserted in the initial  
4 complaints, and requested that one of the cases be dismissed. *See* Doc. 15738 at 3.  
5 Plaintiffs' lead counsel in this MDL do not oppose dismissal of the duplicate complaints,  
6 and counsel for the individual plaintiffs have not responded to Defendants' letters and the  
7 motion to dismiss (with the exceptions noted above).

8 The filing of duplicative complaints in this MDL is not appropriate. *See*  
9 Doc. 15738-2 at 3; *see also M.M. v. Lafayette Sch. Dist.* 681 F.3d 1082, 1091 (9th Cir.  
10 2012) ("It is well established that a district court has broad discretion to control its own  
11 docket, and that includes the power to dismiss duplicative claims."). Defendants' motion  
12 (Doc. 15738) is **granted** and the following duplicate complaints are dismissed:

- 13 • *Giambra, William*, CV-17-03891 (Oct. 24, 2017);
- 14 • *Holland, Betty*, CV-17-03440 (Oct. 04, 2017);
- 15 • *Mathis, Reginald*, CV-17-04302 (Nov. 27, 2017);
- 16 • *McBride, Bernardette*, CV-17-00876 (Mar. 24, 2017);
- 17 • *Pedersen, Charlene*, CV-17-04308 (Nov. 27, 2017); and
- 18 • *Pirl, Tracy*, CV-17-03025 (Sept. 6, 2017).<sup>2</sup>

19  
20 4. Settlement Procedures and Remand or Transfer.

21 The parties have suggested that the Court establish a schedule and procedure for  
22 possible settlement of MDL cases after conclusion of the Tinlin trial. The Court will  
23 accept the proposal, but advises the parties that it does not intend to delay remand or  
24 transfer of MDL cases after a reasonable opportunity to settle.

25  
26 <sup>2</sup> The initial complaints remain part of this MDL. *See Giambra*, CV-17-00191  
27 (Jan. 20, 2017); *Holland*, CV-16-03147 (Sept. 16, 2016); *Mathis*, CV-17-03469 (Oct. 4,  
28 2017); *McBride*, CV-16-01090 (Apr. 18, 2016); *Pedersen*, CV-17-00941 (Mar. 29,  
2017); *Pirl*, CV-17-00899 (Mar. 27, 2017).

1           a.       By **July 1, 2019**, Plaintiffs' lead counsel and defense counsel shall file with  
2 the Court a joint memorandum identifying all cases in this MDL that fall within the two  
3 tracks:

4           **Track 1: Tentatively Resolved Cases.** These include cases or groups of cases  
5 that have been resolved in principle pursuant to an executed release or term sheet.

6           **Track 2: Cases Near Settlement.** These include cases or groups of cases that are  
7 the subject of substantive settlement negotiations and as to which both sides agree that  
8 discussions have progressed to the point where execution of a release or term sheet is  
9 likely in the near future.

10          b.       By **July 15, 2019**, for all cases in this MDL that are not in Track 1 or  
11 Track 2, the Court will recommend that cases transferred to the MDL be remanded by the  
12 Judicial Panel on Multidistrict Litigation ("JPML") to the transferor districts (*see* JPML  
13 Rule 10.1(b)) and, if cases were directly filed in this MDL and did not originate in  
14 Arizona (*see* Doc. 363 at 3), will transfer these cases to the proper district under  
15 28 U.S.C. § 1404(a).

16          c.       On **August 1, 2019, and every first of the month thereafter until this**  
17 **MDL is concluded**, the parties shall file a joint report on the settlement status of cases in  
18 Track 1 and Track 2. Any case in either track may be removed from the track and from  
19 this MDL upon counsel for either side concluding that further settlement efforts in the  
20 case are not warranted. *See* Doc. 15629 at 3. The monthly report shall identify all cases  
21 that have been so designated or otherwise are not included in Track 1 or Track 2, and the  
22 Court will, by the 15th of the month, recommend remand by the JPML to the transferor  
23 district or make a § 1404(a) transfer of the case to the proper district. The monthly report  
24 shall state, with respect to each such case, (1) whether it was transferred by the JPML or  
25 directly filed in this MDL, and (2) the district from which it was transferred by the JPML  
26 or the district to which it should be transferred if it was directly filed in the MDL.

27          d.       All cases in Track 1 for which a stipulated dismissal has not been filed by  
28 **November 1, 2019**, will be recommended to the JPML for remand or will be transferred

1 under § 1404(a). Upon a showing of very good cause, cases in Track 1 may be put on a  
2 list for remand or transfer in an additional 30 days if a stipulated dismissal has not been  
3 filed. Track 1 cases will not be continued in this MDL beyond the additional 30 days.

4 e. All cases in Track 2 for which a release or term sheet has been executed by  
5 **November 1, 2019**, will be continued in Track 2 for an additional six months, to  
6 May 1, 2020, to allow time to complete settlement paperwork and file a stipulated  
7 dismissal.

8 f. All cases in Track 2 for which a release or term sheet has not been executed  
9 by **November 1, 2019**, will be recommended to the JPML for remand or will be  
10 transferred under § 1404(a).

11 g. All cases in Track 2 with a release or term sheet executed by  
12 November 1, 2019, but for which no stipulated dismissal has been filed by May 1, 2020,  
13 will be recommended to the JPML for remand or will be transferred under § 1404(a).

14 h. By July 1, 2019, the parties shall (1) update and lodge with the Court the  
15 joint proposed report to be sent to the JPML with cases recommended for remand and to  
16 districts receiving transfers under § 1404(a) (*see* Doc. 12534); (2) update and file the  
17 stipulated designation of record to be sent with remanded and transferred cases (*see*  
18 Doc. 13158); and (3) provide the Clerk of Court with a ZIP file containing the documents  
19 identified in the updated designation of record (*see* Doc. 14973; JPML Rule 10.4).

20 i. The parties may take videotaped trial testimony of key witnesses between  
21 June 1 and September 1, 2019, to be provided to counsel who will try cases after remand  
22 or transfer.

23 j. The Court intends to set a closing date for new cases to be transferred to or  
24 directly filed in this MDL. The Court will confer with the JPML and enter an order  
25 identifying such a date.

26 Dated this 21st day of March, 2019.

27   
28

David G. Campbell  
Senior United States District Judge
